

Infinity Foods

A few words from our sponsors

Infinity Foods Cooperative as always is very pleased to support and promote Seedy Sunday. We share a similar ethos in enabling people to choose the foods they buy, eat, grow and enjoy. As one of the longest running and largest Workers Cooperatives in the UK selling Natural and Organic foods you can trust, we wholeheartedly endorse the very special and unique community event that is Seedy Sunday.

Keep in Touch

To keep up to date with Seedy Sunday, join our mailing list via the link at www.seedysunday.org, or join us on www.facebook.com/SeedySundayBrighton, or on twitter [@seedysundaybton](https://twitter.com/seedysundaybton).

A few thank yous....

- We'd like to thank all of our fabulous volunteers who make the day run smoothly. We really couldn't do it without you!
- Infinity Foods for their continuing support
 - Cheryl, Lester and the team at BHASVIC
 - Lucid Design at www.totallylucid.com for our beautiful poster and programme design
 - Josh and all the team at Brighton Dome Corn Exchange
 - Barcombe Nurseries for distributing flyers in their veg boxes
 - Big Yellow Storage for their support
 - Particular thanks to everyone who packeted seeds for us
 - Exhibit print and Colourfast print

Who runs Seedy Sunday? Could you help?

Seedy Sunday is run by a volunteer committee:

Chair	Victoria Benson
Secretary	Lucy Williams
Treasurer	Beth Chaplin
Stalls and Venue	Viv Caisey
Seeds	Ros Loftin
Volunteers	Hattie Embleton
Speakers	Malcolm Cook

Would you like to become a part of Seedy Sunday? We would like to undertake more campaigning and educational activities (as well as organising Seedy Sunday) but we need more volunteers to be able to do this. If you'd like to know more about getting involved, email hattie.embleton@gmail.com, signup at the info desk or chat to any of the volunteers you see wearing a green apron today!

SEEDY SUNDAY

5th February 2017, 10.30am-4.00pm

New venue - BHASVIC

Welcome to Seedy Sunday

It's February at last and time for us to celebrate our gardens, getting together to exchange not only seeds but also knowledge.

This is an event allowing us all to find inspiration for the new gardening year. We are really happy to be at Brighton, Hove and Sussex Sixth Form College. They have worked hard to accommodate all our needs to help us to put on a brilliant event.

We've got a dedicated space for our headline Seed Swap together with access to their amazing Sports Hall for our market place.

Children have got their own space where they can make seed bombs and test their abilities of touch and smell.

In the Copper Café you will find our fantastic selection of speakers

We want everyone to enjoy this amazing family event which helps to lighten some of the winter blues.

Enjoy!

Seedy Sunday Talks

Get up to speed with the latest developments in seed history, science and politics with this years Seedy Sunday speaker lineup. The talks will be in the Copper Café.

11.15 - 11.45am Dr Mike Allen Environmental Archaeologist

As one of the UK's leading Environmental Archaeologists Mike will talk us through the history of our local environment and landscape from the last ice age right to today.

12.00 - 12.30pm Dr Adrian Ely SPRU - Science Policy Research Unit, University of Sussex

Adrian will be looking at lessons learned from work in Argentina, Kenya, China and the US around seeds, seed patenting and technology: and how they can be applied in a local context.

12.45 - 1.15pm Nick Mole PAN UK - Pesticide Action Network

Pesticides used in our urban areas can cause serious problems. Hear how this new movement campaigns to persuade UK towns and cities to Go Pesticide-Free!

1.30 - 3pm FILM SEED: THE UNTOLD STORY

This outstanding film by Collective Eye follows passionate seed keepers protecting our food legacy. In the last century, 94% of our seed varieties have disappeared. As chemical companies control the majority of our seeds, farmers, scientists, lawyers, and indigenous seed keepers fight a David and Goliath battle to defend the future of our food.

3pm onwards David Price Seed Co-op

Seed Co-op are a community-owned seed company, believing passionately in breeding open pollinated seeds that everyone can grow, everyone can save for the next year, and everyone can afford. Our sustainable futures depend on protecting seed genetic biodiversity for everyone.

Seed-Co-op operate a share option which goes towards securing land in Lincolnshire, where they can grow and process seed. Seedy Sunday will be buying some shares today, and we hope you will too.
